I think the issue transcends "form and substance."

1. I think you violated my First Amendment rights.
2. I think you trampled on the spirit of transparency that pervades current political discourse.
3. I think that an "Out of order" ruling applies to improper language or behavior, not to questions regarding the merits of a proposal.

Please see to it that this email is also forwarded the city attorney and any interested commissioners.

Thank you.

Dan – These are the emails that will be included as attachments to the March agenda (not yet posted but will be on Wednesday). Burt Osborne, who will be reporting on the "form and substance" issue, also has copies. I didn't include any of the typo correction emails, but if there are any others you want to add, let me know.
